STAY MONTANA

Orders Up is pairing with Stay Montana to make your visit to Big Sky free of food stress and hassle. Big Sky has limited grocery and restaurant services available; this becomes even more stretched when your expected arrival is later in the evening. By ordering from the Orders Up kitchen, you can stock the fridge and/or freezer of your rental, with chef prepared food, from scratch, that is easy to reheat. There are options for sit down family style meals and on the go fun. Contact Orders UP through email, info@ordersupdelivery.com, or by phone, **(406) 662-1262**.
